

3'6" Wide Entry Door Solutions

FIBERGLASS & STEEL DOOR SYSTEMS

THERMA TRU®
DOORS

MANIFEST YOUR OUTER HOME

The beauty of choice.

Find more than 700 wider door styles perfect for homes with grand entrances backed by decades of material science expertise.

Better and bigger.

Look at it. Touch it. Knock on it. A Therma-Tru® fiberglass door looks and feels just like real wood. But, unlike a wood door, fiberglass won't warp or rot, making it a great choice for your next big project.

Lifetime Limited Warranty

When you pay close attention to every detail that goes into a door, you can stand behind its parts longer. That's why your Therma-Tru fiberglass door system is backed by our comprehensive lifetime limited warranty.

Note: See your Therma-Tru seller or visit thermatru.com for details on limited warranties and exclusions.

Door Selections

Choose from our many door selections to complement the architectural style of the home from the front entry to the back patio. The possibilities are endless from fiberglass and steel materials to wood-grained and smooth textures to stainable and paintable finishes.

The Classic Craft® Series

Revel in the handcrafted look and feel of a premium fiberglass entryway with true-to-wood origins. Discover exquisite textures with grains hand-selected from the finest natural wood species and meticulously recreated with our revolutionary AccuGrain® technology.
